after forums

Results

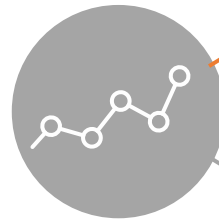

Added value:

consensus on strategic vision, clear objectives, a set of progress indicators

Engagement:

stakeholders' involvement in implementation, direct participation

Monitoring:

most of the monitoring is part of the implementation of the Government Programme and Annual Priorities

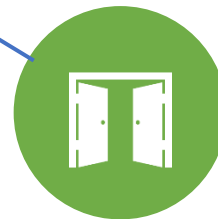

Political agenda:

new culture of continuity, policy learning tool

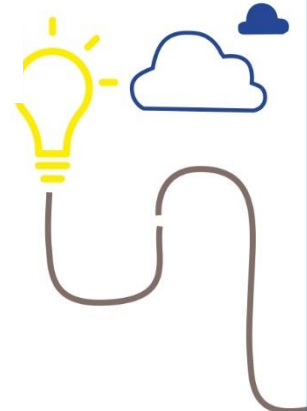

Common ground

for incentives and good practice from society

Accountability:

all information is available for general public

Next steps

Public Consultations

- ✓ Volunteering in public security area
- ✓ What and how schoolchildren should learn in school?
- ✓ What are the most effective measures reducing shadow economy?
- ✓ What information do we need about the state budget?
- ✓

 Possibility to test and improve the methodology

 Citizen involvement in the policy making process

 Possibility to take sustainable decisions

Thank you for your attention !
